SIR,

With reference to letter No L 6765/M1 55-21-166 dated 18th May 1922 sanctioning the proposal of the Municipal Council to increase the rates of toll by 50 per cent I have the honour to state that under Section 60 of the Municipal Regulation notices inviting objections as per copy enclosed were duly published in the Mysore Gazette and the marginally noted local newspapers and in the Municipal Office and hand bills (copy enclosed) of the same were also distributed broadcast

As no objections were received the Municipal Council have at their Special meeting held on 29th July 1922 resolved that the enhanced rates be adopted and be given effect to from 1st October 1922 after obtaining needful sanction of Government

I have therefore to request that you may be so good as to place the matter before Government and obtain their sanction and communicate the same to me as early as possible so as to enable the Council to publish in time the needful notifications

Draft to Secretary Local Govt
proposing levying tolls on motor cars also
This does not appear to be authorised
by Section II of the Act as

DS Ltd 14/8/22

How is the term "Vehicle defined in the Regulation? Does it not include motor cars also?

Dey 14/8/22

Vehicles include motor cars but Section II authorises the levy of tolls on 4 wheeled vehicles with springs or other resilience on springs
Hence there is some doubt as to the legality of the levy of tolls on motor cars

Draft may be approved
